To the Board of Directors and Mr. Pie,

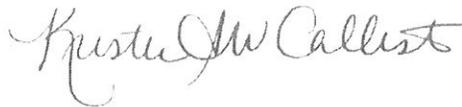

It is my pleasure to acknowledge with heartfelt thanks your generous \$10,200 contribution to the Montgomery County Public Schools Educational Foundation, Inc. (Foundation) for cybercivility, cyberbullying, cybersecurity, and cybersafety programs.

Your gift and offer of support services for Montgomery County Public Schools (MCPS) will allow MCPS and the Foundation to procure new equipment, enhance our cyber training, and continue to provide a cybersafe and cybersecure learning environment for our students across our 211 schools. MCPS is the largest school district in Maryland and the 14th largest in the country. As such cybersafety and cybersecurity are important priorities for our district.

No goods or services, in whole or in part, were exchanged for this contribution. Therefore, the full value of your contribution is deductible for income tax purposes.

We deeply appreciate your financial contribution and commitment to our cyber educational efforts.

I wish Mr. Cesar Pie and everyone at the CSIOS Corporation a delightful holiday season,

Kristen A. Wong Callisto, Ed.L.D.  
Executive Director (Acting)
