Mr. Cesar Pie;

Thank you for your most recent generous donation of \$3,000 and continued support of the Mascoutah High School bowling program. Because of donors like yourself, we have the unique ability to travel the State of Illinois and nationally in search of the best tournaments and top competition to challenge our exceptionally talented and dedicated student athletes. In turn, those athletes sharpen their skills against the best competition and become better both on and off the lanes.

It was a pleasure to meet you in person as you visited the area for your company Christmas party and I look forward to the next opportunity our paths cross.

Welcome to the Mascoutah High School bowling family! Your generosity and support of our student athletes and program is deeply appreciated.

Thank you!

Derek M Crain – USBC Silver Level Coach
